Re:New Direction PAC, C90017039

Dear Mr. Furman:

I write in response to your letters regarding New Direction PAC's 2020 October Quarterly Report and 2020 Year-End Report. Both letters reference communications that were originally reported as independent expenditures. Upon close review of the communications reported, New Direction PAC determined that they were not in fact independent expenditures? within the meaning of the Federal Election Campaign Act of 1971 (the Act) and its implementing regulations. Therefore, the communications were not required to be reported on Form 5 nor on quarterly or year-end reports. Having reviewed these communications and determined their proper reporting, New Direction PAC has amended the previously filed Form 5s, October Quarterly Report and Year-End Report to remove the activity.

Thank you,
Jay Petterson
