Sue Ann Young, Chair  
Riverside County Democratic Central Committee  
871 Alder Street  
Corona, CA 92879

January 29, 2013

This is my fifth year as a member of the Riverside County Democratic Central Committee. Early on I was designated as the Chair of the Communications Committee. Along with Doug and Susan Dye we improved the RCDCC website to the great source of information it is today.

I was elected Controller in July 2010 to serve along side Ken Hampton as Chair. In September 2011 we discovered that Kinde Durkee and Associates had embezzled our funds. First California Bank froze all remaining funds and RCDCC was broke and in trouble. I approached Pechanga in an email and I and Ken Hampton repaired our RCDCC relationship with Pechanga. They subsequently gave the RCDCC a substantial contribution.

In September 2011 I added the role of Treasurer to save this organization and did all the work to comply with the reporting requirements with the FPPC, FEC and the ROV. The early experience with the Durkee transition was one of much confusion.

I am pleased to report that all our reporting requirements have been fulfilled and our treasury has a balance beyond any previous balance.

But it is time to move on. I have been retired for six years and being involved with the RCDCC was a good transition. When I was working I traveled extensively. Not having to drive to the airport at 4 am has been a pleasure.

I am ready to travel again as a tourist.

Effective immediately I resign from my positions of Controller/Treasure and as a member of the Riverside County Democratic Central Committee.

Regards,

Dennis White
