This responds to your letter dated April 2, 2019 regarding the amended 12-day pre-general election campaign report filed by California Real Estate Political Action Committee/Federal ? California Association of REALTORS (the ?Committee?) for the period October 1, 2018 to October 17, 2018. You requested clarifying information as to why the amount of an independent expenditure disclosed on the Committee?s amended pre-general election report differed from the amount reported in the Late 48-Hour Report (Schedule E) it filed on October 17.

After reviewing the Committee?s records, it was discovered that the Committee had inadvertently reported an additional payment to the identified vendor as an independent expenditure. Since this additional payment was not made for communications expressly opposing a clearly identified candidate, it should not have been reported as an independent expenditure. The Committee will amend its pre-general, post-general, and year-end election reports accordingly.

We hope this sufficiently addresses your request for additional information.
