Reference: October Monthly (9/1/04-9/30/04) and Amended October  
Monthly (9/1/04-9/30/04) date 11/29/04  
FEC Letter dated June 3, 2005

Dear Ms. Jones:

With respect to Schedule A, supporting Line 15; please be advised that all payments received from federal candidate committee(s) for goods and services provided by this Committee, are at the usual and normal charge for the goods and services provided. With respect to Rent/Occupancy our Committee charges candidate committee(s) the prevailing commercial rent for comparable rental space.

We have amended our October monthly report to clarify the description "Cashiering Direct Mail."

All the expenditures made for Cashiering-Direct Mail, Catering/Facilities, Cons./Prof. Serv. Direct Mail Dev., Data Entry Direct mail, Data Modeling Direct Mail, Data Processing Direct Mail, Fees-Direct mail Processing, Postage/shipping, Printing and Telemarketing are to support Committee activities, and are not made on behalf of specifically identified federal candidates

Please be advised that the independent expenditures reported on Schedules E in support of federal candidates: Tony Knowles, Erskine Bowles and Ken Salazar, were properly classified and reported as independent expenditures as defined under 2USC Section 431(17).

With respect to the discrepancies in the reporting dates for independent expenditures shown in Schedules E, supporting line 24 and the dates of public dissemination included in the 48 hour reports; the Committee reported on Schedules E in the FEC report the actual date of the check to the vendor, not the date of public dissemination. We have amended our FEC report, Schedules E

to also include the date of public dissemination. The amended Schedules E have the signature of the Treasurer.

Also, please see the enclosed schedule showing the detail supporting the total amounts timely reported on the Committee's original Schedules E. This schedule now identifies dollar detail and dates of public dissemination. There were no missing 48 hour notices, just the inability to reconcile total dollars as reported on Schedules E with the detail dollars reported on the original 48 hour notices.

Regarding the limitation on making coordinated party expenditures on behalf of federal candidates in Colorado (Ken Salazar) and Florida (Betty Castor), please find enclosed a copy of the Democratic National Committee's letter, dated May 15, 2003, designating this Committee as agent for making expenditures pursuant to 2 U.S. C. section 441a(d) on behalf of Democratic candidates in connection with the 2004 general elections. Also, please find enclosed copies of letters from the Colorado Democratic Party, dated March 21, 2004, and the Florida Democratic Party, dated September 8, 2004, designating this Committee as agent for making expenditures pursuant to 2 U.S.C. section 441a(d).

We have amended our October monthly report Schedule F, Line 25 to correlate the memo entries with the credit card payments.

Should you need any further information please advise.

Sincerely yours,
