In RE: Build America PAC (C00377143)

Dear Ms. Fleming:

This is in response to your letter of August 27, 2008 concerning apparent excessive contributions on the Committee's July Quarterly report.

These apparent excessive contributions were the result of a clerical error made in the original filing. The clerical error which occurred caused two contributions from the PAC to Friends for Meeks Committee to appear as transfers from the Friends for Meeks. The Committee has filed an amendment to the July Quarterly report correcting this error.

We trust this adequately addresses the Commission's concerns in this matter. Please be in touch with me should require further information.

Thank you.

Sincerely,

Patsy A. Simmons
Treasurer
