Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following 2 item(s):

1. The entire name of your connected organization, "Employee--owned S Corporation Association of America," must be included in the name of your political committee. While committees may use commonly recognized abbreviations on daily communications such as letterhead and committee checks, committee filings (Statement of Organization, disclosure reports and amendments) must reflect the official name of the connected organization, as well as any abbreviation, within its title. 2 U.S.C. §432(e)(5) Please clarify this apparent discrepancy.

2. Commission records indicate that your committee is a lobbyist/registrant PAC; however, on your Amended Statement of Organization, you have not checked the box indicating that your committee is a lobbyist/registrant PAC. Please be advised that a lobbyist/registrant PAC is a political committee that is established or controlled by a lobbyist or registrant. (11 CFR §104.22(a)(3))

If your committee is a lobbyist/registrant PAC, please amend your Statement of Organization to check the Lobbyist/Registrant box on Line 5(e). Please amend your Statement of Organization to clarify your committee type or provide additional information regarding this discrepancy.

Please note, you will not receive an additional notice from the Commission on this matter. Adequate responses must be received by the Commission on or before the due

date noted above to be taken into consideration in determining whether audit action will be initiated. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action. **Requests for extensions of time in which to respond will not be considered.**

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended.
