This report is being amended in response to a letter from the committee dated 4-23-2012. On question 1, the beginning cash balance did not match the ending cash balance from the previous report (30 Day POST-Election Report) due to a clerical error in reporting \$506 in contributions in the previous report. That error has been correct and that report has been amended. With that correction, the beginning cash balance in this report is now correct. On question 2, the totals in Column B appeared to be incorrect due to the aforementioned error in the previous reporting period. Now that those have been corrected, the totals in Column B equal the sum of the totals in Column B of the previous report and Column A of this report and are correct. On question 3, the refund in question was made to a donor who made a \$300 contribution on 9/20 (which was reported in the 30 Day POST-Election Report) and a \$300 contribution on 10/20 which was during this reporting period. The refund was also made during this reporting period and the donor's aggregate total at the end of the reporting period was zero and is reflected as such in this report.
