OCTOBER QUARTERLY REPORT (7/01 - 9/30/2014)

REQUEST FOR ADDITIONAL INFORMATION

CLIENT FIRST CONSULTING GROUP:

The committee filed 24hr Reports on 6/20/2014 indicating an intention to spend \$15,000 on Voter Contact Calls beginning on or about 6/20/2014 and continuing over the course of several weeks for House candidate David Brat in Virginia and also for Senate candidate Bob Smith in New Hampshire. As it turned out, the committee had to reduce the spending from \$15,000 to \$7,750 for each of the candidates.

Reports have been amended to reflect these reductions.
