Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following 2 items:

1. Your report discloses what appear to be cash contributions from several contributors totaling \$4,503.48. Please be advised that contributions exceeding \$100 must be made by check (or other written instrument). 11 CFR §110.4(c) Please return the amount over \$100 to each contributor and disclose the refunds on the appropriate report(s) or provide clarifying information regarding this activity.

2. Schedule A supporting Line 11(a)(i) of your report discloses receipts identified as "Individual cash contributions." Please be advised that federal regulations require the itemization of all contributions from individuals/persons that aggregate greater than \$200 in the calendar year. Contributions from individuals/persons that aggregate \$200 or less need only be disclosed on Line 11(a)(ii) of the Detailed Summary Page.

Please clarify whether the receipts disclosed on Schedule A includes any contributions that aggregate greater than \$200 from an individual/person in the calendar year. If this is the case, please amend your report by itemizing the contributions from each individual/person on Schedule A. 11 CFR §104.3(a)(2)

Adequate responses must be received by the Commission on or before the due date noted above to be taken into consideration in determining whether audit action will be initiated. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action. **Requests for extensions of time in which to respond will not be considered.**

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended.
