Dear Mr. Cahill:

This letter is prompted by the Commission's review of documents filed by your committee. On July 21, 1997 the Commission received your original Statement of Organization (FEC FORM 1) registering your committee as the Queeny Chemical Company Citizenship Fund and disclosing the Monsanto Company Citizenship Fund as an affiliated committee. The Commission later received your amended Statement of Organization dated August 19, 1997 which changed your name to the Solutia Inc. Citizenship Fund a/k/a Solutia Citizenship Fund. On September 5, 1997, your committee filed an amended Statement of Organization informing the Commission that as of September 1, 1997, your committee was no longer affiliated with the Monsanto Company Citizenship Fund.

Please clarify the nature of the circumstances that led to your committee's initial affiliation with the Monsanto Company Citizenship Fund and the disaffiliation that took place shortly thereafter.

A written response addressing this matter should be filed with the Federal Election Commission within fifteen (15) days of the date of this letter. If you need assistance, please feel free to contact me on our toll-free number, (800) 424-9530. My local number is (202) 694-1130.

Sincerely,
