Dear Ms. Lawrence:

This letter is to inform you that as of September 18, 2002 the Commission has not received your response to our requests for additional information dated August 28, 2002. These notices request information essential to full public disclosure of your federal election campaign finances. To ensure compliance with the provisions of the Federal Election Campaign Act (the Act), please respond to these requests (copies enclosed).

An adequate response must be received at the Commission by October 9, 2002. Adequate responses received on or before this date will be taken into consideration in determining whether audit action will be initiated. **Requests for extensions of time in which to respond will not be considered.** Failure to provide an adequate response by this date may result in an audit of the committee. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action.

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended. If you should have any questions regarding this matter, please contact Jim Krebs on our toll-free number (800)

Reference: June Monthly Report (5/1/02-5/31/02)

Dear Ms. Lawrence:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. The review raised questions concerning certain information contained in the report(s). An itemization follows:

-Schedule B of your report (pertinent portion(s) attached) discloses one or more contributions which appear to exceed the limits set forth in the Act. 2 U.S.C. §441a(a) prohibits a multicandidate committee and its affiliates from making a contribution to a candidate for federal office in excess of \$5,000 per election.

If any apparently excessive contribution in question was incompletely or incorrectly disclosed, you should amend your original report with clarifying information.

If any contribution you made exceeds the limits, you must request a refund of the excessive amount or provide a written authorization for a redesignation of the contribution pursuant to 11 CFR §110.2(b) within 60 days of the treasurer's receipt.

If the foregoing conditions for redesignations were not met within 60 days of the treasurer's receipt, your committee must obtain a refund of the excessive amount.

THE WILLIAMS COMPANIES INC. POLITICAL ACTION COMMITTEE
PAGE 2

Please inform the Commission of your corrective action immediately in writing and provide a photocopy of the refund or redesignation request sent to the recipient committee(s). In addition, any refunds should be disclosed on Schedule A supporting Line 16 of the report covering the period during which they are received. Any redesignations should be disclosed as memo entries on Schedule B supporting Line 23 of the report covering the period during which the redesignation is made. 11 CFR §110.1(b)

Although the Commission may take further legal action regarding the excessive contribution(s), your prompt action in obtaining a refund and/or redesignating the contribution(s) will be taken into consideration.

-Schedule B supporting Line 23 of your report discloses one or more contributions to a candidate(s) for the 2002 Illinois Primary election; however, the funds were disbursed after the election date(s) (pertinent portion(s) attached). Please note that contributions may not be designated for an election which has already occurred unless the funds are to be used to reduce a candidate committee's debts incurred during that election campaign.

If any apparently impermissible contribution in question was incompletely or incorrectly disclosed, you should amend your original report with clarifying information.

If you have made an impermissible contribution, you must request a refund or provide a written authorization for a redesignation of the contribution pursuant to 11 CFR §110.2(b) within 60 days of the treasurer's receipt.

If the foregoing conditions for redesignations were not met within 60 days of the treasurer's receipt, your committee must obtain a refund.

Please inform the Commission of your corrective action immediately in writing and provide a photocopy of the refund or redesignation request sent to the recipient committee(s). In addition, any refunds should be disclosed on Schedule A supporting Line 16 of the report covering the period during which they are received. Any redesignations should be disclosed as memo entries on Schedule B supporting Line 23 of the report covering the period during which the redesignation is made. 11 CFR §110.1(b)

Although the Commission may take further legal action regarding this impermissible activity, your prompt action in obtaining a refund and/or redesignating the contribution(s) will be taken into consideration.

-Schedule A supporting Line 11(a)(i) of your report discloses contributions received through what appears to be a payroll deduction plan. Please amend your report to disclose the frequency of the deduction. 11 CFR §104.8(b) Please refer to the enclosed sample of properly reported payroll deductions.

-Schedule B supporting Line 23 of your report discloses a contribution(s) to the Texas Freedom Fund; however, you have disclosed "Joe Barton, House, 6, TX" in the purpose of disbursement field(s). Please clarify whether this was an earmarked contribution(s) made by your committee through the Texas Freedom Fund to this candidate, or if you made the contribution to the political committee exercising no direction or control over how the funds were to be used. If the latter is the case, please do not include the candidate's name in the purpose of disbursement field. Please amend your report to clarify the ultimate recipient of this contribution(s).

A response or amendment to your original report(s) correcting the above problem(s) should be filed with the Federal Election Commission within fifteen (15) days of the date of this letter. Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended. If you need assistance, please feel free to contact me on our toll-free number, (800) 424-9530 (at the prompt press 1, then press 2 to reach the Reports Analysis Division). Payroll Deductions

Once an individual's deductions aggregate over \$200 in a calendar year, report the total amount deducted from the donor's paychecks during the reporting period on Schedule A. In parentheses indicate the amount that was deducted each pay period. Instead of stating a specific date of receipt, type "payroll deduction" under "Date." The other itemized information, including the year-to-date total, must be completed for each donor. 104.8(b).

EXAMPLE: During an election year, a corporate manager authorizes her employer to deduct \$15 per pay period (each pay period is two weeks) for the company's SSF. The SSF, which files FEC reports on a quarterly schedule, includes the manager's first-quarter contributions (\$90 for six pay periods) as "unitemized contributions" on Line 11(a)(ii) in the April quarterly report.

By June 30 (the closing date for the July quarterly report), 13 pay periods have passed, and the manager's aggregate contributions are \$195--still below the \$200 itemization threshold. The manager's second-quarter contributions again are included in "unitemized contributions" in the July report.

By September 30 (the closing date for the October quarterly report), 19 pay periods have passed, and the manager's contributions reach \$285. Now the committee itemizes the total contributions received from the manager during the third quarter (\$90), providing the year-to-date total in the appropriate space. (See item A in the illustration above.)
