Dear Mr. Wolfe:

On December 23, 1998, you were notified that a review of the above-referenced report(s) raised questions as to specific contributions and/or expenditures, and the reporting of certain information required by the Federal Election Campaign Act.

Your January 7, 1999 response is incomplete because you have not provided all the requested information. For this response to be considered adequate, the following information is still required.

-The event year-to-date total for administrative/voter drive costs at the close of the July Quarterly reporting period is \$39,759.12. On your amended October Quarterly Report, you disclose the beginning event year-to-date total for administrative voter drive costs as \$69,429.07 (after having added a \$469.20 disbursement to the total). Please note that this total is calculated by **adding the latest disbursement for this category to the previous event year-to-date total for this category.** Please amend your report by providing the correct event year-to-date totals for administrative/voter drive costs.

If this information is not received by the Commission within fifteen (15) days from the date of this notice, the Commission may choose to initiate audit or legal enforcement action.

If you should have any questions related to this matter, please contact Andrea

Wilkins on our toll-free number (800) 424-9530 or our local number (202) 694-1130.

Sincerely,
