This campaign utilizes the NGP/VAN database for tracking and reporting. It was discovered that two separate member codes had inadvertently been created to track our contributions and disbursements. This caused some receipts and disbursements to not be reported when the primary code was used. This administrative error was discovered during an internal review and was corrected by amending our reports. We have also taken internal measures to insure that this does not occur in the future.

Any questions can be refered to Barbara Henseler (505) 474-5892.
