

In response to the letter dated March 7, 2008, from Senior Campaign Finance Analyst Daniel T. Buckley in the Reports Analysis Division, please note that the unitemized receipts listed in the Committee s 2007 year-end report did not include receipts from any single source that aggregated more than \$200 in the calendar year. In addition, none of the expenses listed as 'Expenditures for Apparel' were for public communications or voter drive activity containing express advocacy.
