Regarding: October 20 Monthly Report - Late Filing

To Whom It May Concern:

I am writing to state for the public record that I filed the October 20 Monthly Report six days late on 10/26/11. I had attempted to file the report electronically on 10/10/11 but did not realize the transmittal was not successful. It wasn't until the afternoon of 10/25/11 that I read the email sent on 10/21/11 notifying me the report was late. When I attempted to file the report electronically that same afternoon, the FECfile software was not completing the action. In the morning of 10/26/11 I called the FEC Electronic Filing Help Desk and received the assistance I needed to properly upload the report.
