Dear Ms. Carter:

This letter is in response to your request for additional information regarding the April Quarterly Report (1/1/12-3/31/12), dated 6/19/12, and received by Boehner for Speaker (C00478354) on August 6, 2012.

1. The Committee has reviewed the aggregate year to date totals as noted. Due to a software issue, the report was calculating on a cycle to date basis. The report has been amended to correct the aggregate year to date totals.
2. We have reviewed all of the check images and found that several specifically identified their FEC ID # or the fact that they were a multicandidate on the check. With respect to the others, there was no suggestion that they were made from a state account, should those committees even have state accounts. A review of the donor reports does show contributions of the same amount with similar dates reported to participants in the joint committee. At the direction of the Federal Election Commission, contributions made payable to a participant of the joint committee, but raised by the joint committee, are deposited into the joint committee account and distributed to the participant.

Sincerely,

Lisa Lisker
Treasurer
