Reference: July Quarterly Report (4/1/08-6/30/08)

Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following 3 items:

1. Your calculations for Lines 31 and 32, Columns A and B appear to be incorrect. FEC calculations disclose these amounts to be \$42,190.95 for each. Please provide the corrected totals on the Detailed Summary Page.
2. The totals listed on Lines 27, 31 and 32 Column B of the Detailed Summary Page(s) appear to be incorrect. Please be advised that you should add the "Calendar Year-to-Date" total from your previous report to the current "Total This Period" figure from Column A to derive the correct Column B totals. Please amend your report and any subsequent reports that may be affected by this correction.
3. Line 23 of the Detailed Summary Page of your report discloses a total of \$27,000.00 in contributions to federal political committees. The sum of the entries itemized on Schedule B, however, indicates the total to be \$2,700.00. Please amend your report to clarify the discrepancy.

Please note, you will not receive an additional notice from the Commission on this matter. Adequate responses must be received by the Commission on or before the due date noted above to be taken into consideration in determining whether audit action will be initiated. Failure to comply with the provisions of the Act may also result in an

enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action. **Requests for extensions of time in which to respond will not be considered.**

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended. If you should have any questions regarding this matter or wish to verify the adequacy of your response, please contact me on our toll-free number (800) 424-9530 (at the prompt press 5 to reach the Reports Analysis Division) or my local number (202) 694-1177.

Sincerely,
