We are responding to your letter dated April 17, 2019 (?RFAI?) regarding the Committee?s 2018 12-Day Pre-General Report.

The Committee did not fail to file 24-hour (or 48-hour) reports concerning the independent expenditures listed on Schedule E. These Schedule E entries list an incorrect dissemination date of October 1; in fact, these are the same independent expenditures that were timely and accurately reported on 24-hour reports between August 20 and 27, 2018. This Schedule E was intended to disclose that on October 1 the Committee made the disbursements to pay for those earlier independent expenditures. The Committee undertook no independent expenditures on or about October 1. The Committee is amending this report in order to disclose the two disbursements correctly. The Committee regrets this error, which was inadvertent and unintentional. Separately, the Committee is responding to the pending RFAI concerning its 2018 October Quarterly Report with respect to its inadvertent omission to include a Schedule E to disclose again those August 20-27 independent expenditures and is amending that report accordingly.
