In response to the RFAI issues by the Commission concerning the committee's pre-primary report (FEC-930746), we offer the following information.

With regard to inquiry Item 1, the committee did not file a 24-hour report for the independent expenditure disbursement for \$15,000 to Scott Howell & Company on May 30, 2014. This expenditure was properly reported, however, on the pre-primary report submitted to the Commission on June 12, 2014.

With regard to inquiry Item 2, the date of disbursement or obligation associated with the independent expenditure disbursement to Winning Edge was correctly reported on the 24-hour report filed on May 30, 2014. The date of dissemination disclosed on the original 24-hour filing, however, was inaccurate. As soon as the inaccuracy was identified, the committee reflected the correct dissemination date for the independent expenditure (May 23, 2014) on its Pre-Runoff Report.
