Reference: Mid-Year Report (1/1/93-6/30/93)

Dear Mr. Ingemunson:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. The review raised questions concerning certain information contained in the report(s). An itemization follows:

-Schedule A of your report (pertinent portion(s) attached) discloses a contribution(s) from an organization(s) which is not a political committee registered with the Commission. In order for your committee to accept contributions from unregistered organizations into accounts used to influence federal elections, your committee should take steps to insure that the contributor(s) used permissible funds to make the contribution(s) to avoid violating 2 U.S.C. §§441a(f) and 441b or 11 CFR §102.5(b). Under 11 CFR §102.5(b), organizations which are not political committees under the Act and choose to contribute to federal committees must either: 1) establish a separate account which contains only those funds permitted under the Act, or 2) demonstrate through a reasonable accounting method that the organization has received sufficient funds subject to the limitations and prohibitions in order to make the contribution.

If the contribution(s) in question was incompletely or incorrectly disclosed, you should amend your original report with clarifying information. In addition, please clarify whether the contribution(s) received from the referenced organization(s) is permissible. To the extent that your committee has received impermissible funds, the Commission recommends that you transfer the impermissible funds to an account not used to influence federal elections or refund the impermissible amount(s) to the donor(s) in accordance with 11 CFR §103.3(b).

9403902142

The Commission recommends that you inform the contributor(s) in writing to provide the donor(s) with the option of receiving a refund or granting written authorization for a transfer to another account.

Please inform the Commission of your corrective action immediately in writing and provide a photocopy of your check for the transfer-out or refund. Should you choose to transfer-out or refund the contribution(s), the Commission will presume the funds were impermissible if no statement from your committee provides information to the contrary. Transfers-out and refunds should be disclosed on a Schedule B supporting Line 22 or 28 of the report covering the period during which the transaction was made.

Although the Commission may take further legal action concerning the acceptance of prohibited contributions, prompt action by your committee in transferring-out or refunding the amounts will be taken into consideration.

-Your report does not include a Schedule H1 to disclose the ratio for the allocation of administrative and generic voter drive costs. This ratio is determined at the beginning of each two-year election cycle. All shared administrative and generic voter drive costs incurred during the two-year cycle must be allocated according to this ratio, unless the federal account elects to pay a higher percentage of its cost. 11 CFR §106.5(b)(2), (d)(1), (d)(2) and 11 CFR §§104.10(b)(1)(ii)(B) and 106.6(c)

-The identification of each contributor, including the person's occupation and name of employer, must be provided if the person has contributed in excess of $200 in the aggregate during the calendar year. Please amend Schedule A supporting Line 11(a)(i) for each entry lacking a contributor's occupation and name of employer.

Note: If your committee has made attempts, either by a written request or by an oral request documented in writing to obtain this information from each contributor, your committee may have exercised "best efforts." Under revised 11 CFR 104.7(b), such effort shall consist of an initial clear and conspicuous request for the name, mailing address, occupation, and name of employer of each individual who has contributed over $200 in the calender year which informs the contributor that the reporting of such information is

9403902143

required by law. If necessary, your committee must make a written follow-up request or an oral follow-up request documented in writing, within thirty days with no additional solicitation. Subsequently, the committee should report any changes provided by the contributor or any additional information which is in the committee's records. If you believe that your committee satisfies the "best efforts" provision, you should provide a copy of your solicitation or an explanation of the method(s) used to obtain contribution information. Clarification regarding "best efforts" should be disclosed during each two year election cycle beginning with the first report filed in the non-election year. 11 CFR §104.3(a)(4)(i)

-Your calculations for administrative/voter drive EVENT YEAR-TO-DATE totals are incorrect. EVENT YEAR-TO-DATE totals for administrative and voter drive costs are derived by aggregating all disbursements during the calendar year within the category. EVENT YEAR-TO-DATE totals for fundraising, direct candidate support, and exempt activities are derived by aggregating all disbursements during the calendar year within a specific event. These should be calculated by adding the latest disbursement for a category or event to the previous EVENT YEAR-TO-DATE total for that category or event. This running EVENT YEAR-TO-DATE total should be disclosed after each disbursement is listed. Please amend your report by providing the correct administrative/voter drive EVENT YEAR-TO-DATE totals.

-Your report disclosed a category of financial activity that has been reflected on the wrong line of the Detailed Summary Page. Interest payments on loans should be properly disclosed on a separate Schedule B, supporting Line 21(b) of the Detailed Summary Page. Please refer to the instructions contained on the forms to determine the proper categorization when preparing your next filing.

-Your report includes computer produced formats of Schedules C, H3 and H4. Computer produced formats may only be used upon prior approval of the Commission. You should submit a separate sample format with a cover letter requesting approval. Until your format has been approved, FEC forms must be used. 11 CFR §104.2(d)

A written response or an amendment to your original report(s) correcting the above problem(s) should be filed with the Federal Election Commission within fifteen (15) days of the date of this
