Dear Ms. Trudell:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **An adequate response must be received at the Commission by the response date noted above.** An itemization of the information needed follows:

-Schedule A supporting Line(s) 11(c) of your report discloses a receipt(s) from a candidate committee(s) (see attached) which requires further clarification. For example, if this activity represents a transfer of funds, please indicate "transfer" on Schedule A supporting Line 11(c) of your report. If this activity represents a reimbursement for services provided to this committee, please indicate this on Schedule A supporting Line 15 of your report. Please amend your report to clarify the type of activity this receipt(s) represents.

-Please amend your report by providing the address for each disbursement itemized on Schedule(s) B supporting Line(s) 30(b).

-Itemized disbursements must include a brief statement or description of why the disbursements were made. Please amend Schedule(s) B of your report to clarify the following description(s): "voter registration piece." For further guidance regarding acceptable purposes of disbursements, please refer to 11 CFR §104.3(b)(3).

-Your report disclosed a category of financial activity that has been reflected on the wrong line of the Detailed Summary Page. Contributions

from individuals and groups other than political committees, including Indian Tribes, should be properly disclosed on a separate Schedule A, supporting Line 11(a)(i) of the Detailed Summary Page. Please refer to the instructions for each line when determining the proper categorization(s) for your next filing.

**Unlike previous election cycles, you will not receive an additional notice from the Commission on this matter.** Adequate responses received on or before this date will be taken into consideration in determining whether audit action will be initiated. **Requests for extensions of time in which to respond will not be considered.** Failure to provide an adequate response by this date may result in an audit of the committee. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action.

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended. If you should have any questions regarding this matter or wish to verify the adequacy of your response, please contact me on our toll-free number (800) 424-9530 (at the prompt press 5 to reach the Reports Analysis Division) or my local number (202) 694-1141.
