Federal Election Commission Attn: Maureen Bentiz  
Re: Post General Report  
Identification Number: C00415075

This letter is in response to the commission's letter dated February 6.

Items 1, 3 and 4: Regarding H2 and H4 for the transaction for 2012 General Slate we have re-categorized the transaction to Mainstream GOP Consulting to 100% FEA. No transfer from non federal had been made for the item and it was paid for with 100% Federal funds.

Item 2: We have clarified the Event Supplies it was for a committee meeting and not for candidate related event.

Item 5: We have re-categorized the Phone Bank Services to 100% FEA and have made a transfer back to our non federal for the share of the \$330.47 that had been transferred of \$211.50. It was for generic get out the vote activity and did not refer to specific Federal candidates.
