Reference: Amended 12 Day Pre-General Report (10/1/00-10/18/00), dated 4/12/01

Dear Mr. York:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. The review raised questions concerning certain information contained in the report(s). An itemization follows:

-In your letter of 4/12/00, you state that "the 10/13/00 expenditure shown on Schedule H-4...for *yard signs* meets the criteria for exempt party activity." Furthermore, you state that it was originally reported under the administrative allocation ratio rather than the time and space ratio. Please be advised that by definition, 100% federal activity does not qualify as a shared expense to be allocated between your federal and non-federal accounts. This activity should be itemized on a Schedule B supporting Line 21(b) of the Detailed Summary Page, 11CFR §106.5. If your committee received any reimbursement from your non-federal account for any portion of this expense under the administrative allocation ratio, you must return it immediately. Please amend your report to confirm whether the committee received a transfer-in for this disbursement and to properly report the activity.

A written response or an amendment to your original report(s) correcting the above problem(s) should be filed with the Federal Election Commission within fifteen (15) days of the date of this letter. If you need assistance, please feel free to contact me on our toll-free number, (800) 424-9530 (at the prompt press 1, then press 2 to reach the Reports

Analysis Division). My local number is (202) 694-1130.

Sincerely,
