Dear Mr. Francis:

I am responding to your November 19 letter to Richard Gunderson of the American Council of Life Insurance PAC (FEC ID # C000147066). You had written pointing out an arithmetic error on a spreadsheet amending our March 1997 monthly report. I have enclosed a corrected spreadsheet as you requested. No changes have been made to the Form 3x which this spreadsheet supports, nor has there been any change to the total year to date figures.

Thank you for your attention to our reports. Please contact us again should you have any further questions.

Sincerely,

Michael deBlois
