I have Mr. Fortkiewicz's letter of December 5, 2013 regarding the FEC April 2013 monthly report and his companion letter of December 5, 2013 regarding the April monthly report. The question whether we have checks documenting contributions in excess of \$100.00. All contributions are made by check even if less than \$100.00 and we have copies of the checks for these two months if you would like me to send them to you. Please advise if you have any questions,

Regards,
