Dear Mr. O'Connell:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **An adequate response must be received at the Commission by the response date noted above.** An itemization of the information needed follows:

-Your report does not disclose any payments for salary or wages on Schedule B supporting Line 30(b) of the Detailed Summary Page. 11 CFR §100.24 defines as Federal Election Activity, services provided by an employee of a State, district or local party committee who spends more than 25 percent of their time during that month on activities in connection with a Federal election. You are advised that payments for salaries and wages for employees who spend more than 25 percent of their compensated time in a given month on Federal Election Activity or activities in connection with a Federal election must be made with Federal funds only. Please provide clarification regarding the lack of payments for salary and wages disclosed by your committee.

-Schedule B supporting Line 21(b) of your report discloses a payment(s) totaling \$3,474.23 for "printing for silver elephant event", "fundraising per telemarketing" and "printing brochures". Expenditures and disbursements for public communications (as defined under 11 CFR §100.26) that refer to a clearly identified candidate for Federal office and that promote, support, attack or oppose any candidate for Federal office, meet the definition of Federal Election Activity under 11 CFR §100.24.

Please provide further clarification regarding this activity, specifically whether it referenced and promoted, attacked or opposed a clearly identified candidate for Federal office. If this is the case, please amend your report to properly disclose this activity as an in-kind contribution, an independent expenditure or a coordinated expenditure, as appropriate, on a Schedule B, E or F supporting Lines 23, 24 or 25, respectively.

-Schedule H3 of your report discloses a transfer(s)-in from a non-federal account(s) for the Administrative category which appears to exceed the permissible amount(s) indicated by your allocation ratio for this activity/event. Please be advised that transfers for allocated activity must not exceed the non-federal share of the joint disbursements and that these transfers must be made within a 70-day time period: no more than 10 days before or 60 days after payment to the vendor. 11 CFR §§106.6(e)(2) and 106.7(f)(2) Please clarify the nature of this transfer(s)-in from the non-federal account.

The Commission recommends that you immediately transfer the total excessive amount received by your federal account back to your non-federal account. Although the Commission may take further legal action concerning this prohibited activity, your prompt action will be taken into consideration.

-Schedule H4 of your report discloses voided or returned checks for expenditures made during this or previous reporting periods. However, you have failed to disclose a transfer-out for the non-federal portion of these voided checks issued for allocable expenses. Please provide clarifying information regarding the non-federal portion and, in addition, please clarify if and when these checks were reissued. If they were not reissued, please clarify the steps your committee has taken to account for the federal portion of these voided or returned checks in order to avoid the acceptance of a prohibited in-kind contribution.

-Schedule H4 supporting Line 21(a) of your report discloses a payment(s) totaling \$7,207.20 for "printing". Please be advised that pursuant to 11 CFR §300.33(c)(1), expenditures for public communications (as defined by 11 CFR §100.26) that refer to a clearly identified candidate for Federal office and that promote, support, attack or oppose any such candidate for Federal office must not be allocated between or among federal and non-federal accounts. Only federal funds may be used.
