No expenditure was made on behalf of a specifically identified federal candidate, and no expenditure was for a public communication that referred to a clearly identified candidate for Federal office and that promoted, supported, attacked or opposed any such candidate for Federal office. No expenditure was for a public communication or voter drive activity containing express advocacy or that referred to a clearly identified candidate for Federal office and that promoted, supported, attacked or opposed any such candidate for Federal office. The payments disclosed on Schedule B for Line 21 (b) for fundraising activities did not constitute public communications that referred to a clearly identified candidate for Federal office and that promoted, supported, attacked or opposed any such candidate for Federal office. While these disbursements were eligible for allocation using the funds-received method, the Committee elected to pay these expenses with 100% federal funds. Payments for salaries and related fringe benefits disclosed on Schedule H4 are for employees who spent less than 25% of their time engaged in activities in connection to any federal election.
