Dear Mr. Koeppe,

This letter is in response to the commissions letter dated May 17, 2002, concerning a preliminary review of our Year-End Report (07/01/01-12/31/01). On July 2, 2002, we received your correspondence dated May 17, 2002, it appears that a complete mailing address was missing, and this resulted in a delay for the delivery to our committee.

Schedule B of our FEC report discloses transfers on line 22 for Delphi Automotive Systems Corporation - NY PAC. These transfers are transfers to an affiliated state separate segregated fund. You have requested to our committee that we detail and report our description of affiliated PAC transfers as 'Replenishment of state PAC funds.'

If you have any questions or concerns about this, please contact Lynn Bahr at 248/371-7045.

Sincerely,

Martha DenBaas

Treasurer
