Please note that the PAC is aware that we follow an alternate method of itemizing payroll receipts rather than the suggested manner of disclosing a single total for the reporting period along with the amount deducted per pay period. Because the amounts collected per pay period may change often during the time covered by a single report we find that reporting individual deductions separately more accurately discloses how the receipts are collected.

This report is being amended to disclose additional receipts not included on the original report. Please update your records accordingly.
