This responds to your letter dated April 23, 2019 regarding the year-end campaign report filed by California Real Estate Political Action Committee/Federal ? California Association of REALTORS (the ?Committee?) for the period November 27, 2018 to December 31, 2018. You noted a discrepancy concerning a debt owed to California Association of REALTORS disclosed in the Committee?s year-end report that differed from the amount disclosed in prior reports. The Committee reviewed its records and verified that the amount disclosed in the year-end report filed on January 31, 2019 was correct. It has amended its third quarter, pre-general, and post-general reports accordingly.

You also requested clarifying information concerning a Late 48-Hour Report the Committee filed on October 17, 2018, consistent with 11 CFR Section 104.4(b), disclosing an independent expenditure opposing congressional candidate Mimi Walters, which was publicly disseminated on October 15, 2018. We believe the response submitted by the Committee on May 7, 2019 to your letter dated April 2, 2019 adequately addresses this request. The Committee has amended its pre-general, post-general, and year-end election reports as detailed in that response.

We hope this sufficiently addresses your request for additional information.
