Dear Mr. Reid:

On September 18, 2002 you were notified that a review of the above-referenced report(s) raised questions as to specific contributions and/or expenditures, and the reporting of certain information required by the Federal Election Campaign Act.

Please be advised that if a committee files an amendment to a report that was filed electronically, it shall also submit the amendment in an electronic format. 11 CFR §104.18(f) Your paper filing dated October 4, 2002 will not be considered an amended report. To amend your report, you must submit it in an electronic format.

An adequate response must be received at the Commission by October 30, 2002. Adequate responses received on or before this date will be taken into consideration in determining whether audit action will be initiated. **Requests for extensions of time in which to respond will not be considered.** Failure to provide an adequate response by this date may result in an audit of the committee. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action.

Dear Mr. Reid:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. The review raised questions concerning certain information contained in the report(s). An itemization follows:

-Schedule A of your report discloses a receipt from the "NCILDC Vacation Fund" that was "deposited in the wrong account on 7/23/02." Please clarify whether this deposit was comprised of permissible funds and when, or if, these funds were transferred-out of the federal account.

A response or an amendment to your original report(s) correcting the above problem(s) should be filed with the Federal Election Commission within fifteen (15) days of the date of this letter. Electronic filers must file amendments (to include statements, designation and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended. If you need assistance, please feel free to contact me on our toll-free number, (800) 424-9530 (at the prompt press 1, then press 2 to reach the Reports Analysis Division). My local number is (202) 694-1130.

Sincerely,
