Reference: April Monthly Report (3/1/02-3/31/02)

Dear Ms. Brees:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. The review raised questions concerning certain information contained in the report(s). An itemization follows:

-Your report discloses a negative ending cash balance of \$-4,180.39. This suggests that you have either overdrawn your account, made a mathematical error, or incurred a debt. If your committee has incurred a debt or obligation, please show a zero balance on Line 8 of the Summary Page and reflect the amount and the nature of the debt on Schedule D and Line 10. 2 U.S.C. §434(b)(8)

-Your report contains information disclosed on Schedule H4. This schedule is used by committees which have separate federal and non-federal accounts to disclose the allocation of funds for expenditures between the two types of accounts. Your reports do not show payments from a non-federal account on a Schedule H3, as would be customary for committees who allocate between accounts. If your committee does not maintain a non-federal account, all disbursements should be disclosed on a Schedule E and no allocation schedules filed. Please clarify the procedures you are currently using to allocate shared expenses if any, and report future disbursements appropriately.

A response or amendment to your original report(s) correcting the above problem(s) should be filed with the Federal Election Commission within fifteen (15) days of the date of this letter. Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in

its entirety, rather than just those portions of the report that are being amended. If you need assistance, please feel free to contact me on our toll-free number, (800) 424-9530 (at the prompt press 1, then press 2 to reach the Reports Analysis Division). My local number is (202) 694-1130.

Sincerely,
