Reference: July Quarterly Report (5/16/94-6/30/94)

Dear Mr. Holton:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. The review raised questions concerning certain information contained in the report(s). An itemization follows:

-Your report discloses activity that falls outside the reporting period. Please amend this report by including only the financial transactions that occurred between 5/16/94 and 6/30/94. Any activity occurring outside this reporting period should be included in the appropriate report(s). 2 U.S.C. 5434(b)

-Schedule E, supporting Line 24 of the Detailed Summary Page, discloses disbursements which do not appear to be independent expenditures. Under 11 CFR §100.16, an independent expenditure is defined as:

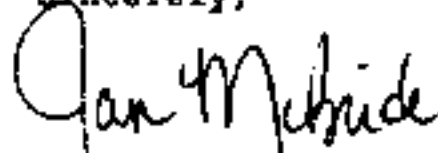

"an expenditure for a communication by a person expressly advocating the election or defeat of a clearly identified candidate which is made without cooperation or consultation with any candidate, or any authorized committee or agent of such candidate, and which is not made in concert with, or at the suggestion of, any candidate, or any authorized committee or agent of such a candidate."

Please provide additional information to clarify the following "purposes of disbursement": salary, xeroxing, phone, rent, travel, pizza, etc. These "purposes" do not appear to reflect expenditures for communications. Also, any disbursements reported on Schedule E, which do not qualify as independent expenditures should be properly disclosed on Schedule B for Line 21 as operating expenditures.
