

This submission responds to the commission's letter of July 6, 2011 regarding committee report: Amended February Monthly:

1.) Amended to correct report.

2.) The check deposited for \$12,685.05 from the State of Florida Department of Financial Services on 1/25/11 was for a refund for unemployment compensation and inadvertently reported on Schedule A. The report has been amended to show the \$12,685.06 on Line 15.

Please note that, subsequent to an internal committee audit, the committee is amending its reports from July 2010 through July 2011 to correct financial errors on those reports. Also note that due to a database audit, some contributions were itemized that were disclosed as unitemized contributions on previous reports.
