Re: Amended 30 Day Post-General Report (10/15/2020 11/23/20), Received 01/30/2021

Dear Ms. Vivian,

Blue Shield of California Political Action Committee (Committee) submits this Form 99 Miscellaneous Report in response to the Federal Election Commission (Commission) Request for Additional Information (RFAI) dated March 04, 2021. Please see our response below to the two applicable items:

- 1)The Committees amended 30 Day Post-General Report disclosed an increase of \$13,608.48 from the amount disclosed on the original report. In the process of preparing the Committees Year-End Report, filed 1/30/2021; we discovered additional payroll contributions applicable for the Post-General Report totaling \$13,608.48. The amended Post-General Report reflects these additional payroll contributions for the applicable period.
- 2)The Committees amended report discloses a decrease in disbursements of \$25,000 from the amount disclosed on the original report. This decrease reflects an item, which originally appeared on Line 22: Transfers to Affiliated/Other Party Committees. Our original understanding was this contribution was made on 10/22/2020. While preparing the Year-End Report, we learned that the contribution was not issued until 12/24/20. This payment is reflected on the Year-End Report filed 01/30/2021 and removed via amendment from the 30 Day Post-General Report.

We hope this information resolves the Commissions RFAI. If you require any additional information, please feel free to contact me at any time.

Darrin Lim,
Assistant Treasurer
