Dear Mr. Buckley:

We are in receipt of your Request for Additional Information dated September 19, 2008. The letter requires us to take corrective action for the FirstEnergy Political Action Committee ("FirstEnergy PAC") contribution on July 29, 2008, made payable to John McCain 2008 and designated for the "general election."

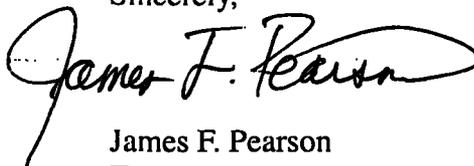

According to FirstEnergy PAC bank records the John McCain 2008 contribution was not deposited by the committee. This was confirmed by the John McCain 2008 committee on September 24, 2008. FirstEnergy PAC stopped payment on the check.

As a response to the Request for Additional Information, FirstEnergy PAC will report the John McCain 2008 "general election" contribution as a negative entry on Schedule B line 23 on the October monthly report due on or before October 20, 2008. In addition, FirstEnergy PAC will provide an explanation in the memo section of the report regarding the situation.

As you stated in a phone conversation with a FirstEnergy PAC representative on September 29, 2008, the FirstEnergy PAC's corrective actions will serve as a response to the Request for Additional Information.

We appreciate your assistance on this matter. Please do not hesitate to contact me if you have additional questions.

Sincerely,

James F. Pearson
Treasurer
