RE: July Monthly Report (6/1/03 - 6/30/03)  
Nevada Republican State Central Committee  
FEC ID# C00082925

Dear Ms. Adams:

We are in receipt of you letter dated June 23, 2004 regarding the aforementioned report.

In regard to Schedule B, Line 30(b), for the salary and wages of the employees; none of these employees were spending more than 25% of their compensated time on Federal Election Activity. They were simply paid with 100% federal funds and therefore this was reflected as an operating expenditure on Schedule B Line 21 (b).

Schedule H4 has been corrected for the year to date totals.

Sincerely,

Chrissie Hastie  
Nevada Republican Party
