Re: Amended October Monthly Report (9/1/07-9/30/07) filed 1/29/08

We are in receipt of the Commission's letter dated 2/27/08 regarding schedules H2 & H4 and the ratio for the Besty Wolf Concert, August 20, 2007. We have electronically filed an amendment to the August monthly amendment filed on 1/23/08 correcting this discrepancy.

In addition, an amendment to the amended September Monthly report (8/1/07-8/31/07) filed 2/26/08 was electronically filed to correct the discrepancy on schedule H2 and H4 for the Besty Wolf Concert, August 20, 2007.

When amendments are generated through our compliance software, schedule H2 pulls the current fundraiser ratio, while schedule H4 uses the calculation from the reporting period. The amendments filed should address these discrepancies and schedules H2 & H4 match.

Please contact me if you have further questions.

Sincerely,
Marlene Sario
Treasurer
