Oregon Republican Party C00153031

This memo is to clarify the feb monthly amendment report filed on 10-29-03

All transfers are from our non-federal acct.

The beginning balance is correct on this amendment. The year-end amendment filed 5-27-03 Does not included the Victory acct balance. This will be amended.

The reason for the problems with the totals on the summary page of the orginail report were that the software program did not reflect all 100% federal disbursements. That problem has been corrected and is reflected in this amendment.
