Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following 1 item(s):

1. On Schedule B of your report, you have disclosed disbursements to federal candidate committees. Commission Regulations require that these itemized disbursements include the recipient's full name, complete address, date, amount, purpose, state, office sought (House, Senate, or President), and district (if applicable). Please amend your report to include the state, office sought (House, Senate, or President), and district (if applicable). (11 CFR §§104.3 (b)(4) and 104.9(b))

- Schedule B supporting Line 18 of your report discloses contributions to federal candidates for which no election designation has been provided. Please note that Commission Regulations encourage committees making contributions to other candidates to designate their contributions in writing for a particular election. Contributions not designated for a particular election will be attributed to the next election for Federal office in which the candidate is participating. (11 CFR § 110.1(b))

- For your information and consideration when preparing future filings, all contributions and transfers to political committees should be reported on Line 21 of the Detailed Summary Page and itemized on a separate Schedule B. (11 CFR § 104.3(b)(2))

- Your report disclosed a category of financial activity that appears to be

disclosed on the wrong line of the Detailed Summary Page. For your information and consideration when preparing future filings, refunds of contributions from individuals should be properly disclosed on a separate Schedule B, supporting Line 20(a) of the Detailed Summary Page. Please refer to the Form 3 instructions for each line when determining the proper categorization(s) for your next filing. (11 CFR § 104.3(a) and (b))

Please note, you will not receive an additional notice from the Commission on this matter. Adequate responses must be received by the Commission on or before the due date noted above to be taken into consideration in determining whether audit action will be initiated. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action. **Requests for extensions of time in which to respond will not be considered.**

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended.
