June Monthly Report (5/01/06-5/31/06)

Dear Ryan:

This letter is in response to your FEC notice dated July 28, 2006. Please note that we have amended our previous filed return (FEC-222997). The return has been superceded by FEC-235898. We have reclassified the payment for Voter Lists to Schedule B as a non-allocable expense. Furthermore, we made an allocation transfer on July 20, 2006 for the two reports filed on June 20 and July 20. The original amount we could allocated from these two reports was \$40,926.66. We made a total transfer of \$35,000.00. Upon amending the June monthly report, the total we should have allocated from the two reports should not have exceeded \$26,382.76. Therefore, today we have made a transfer back to our non-federal account from our federal account in the amount of \$8,618.00.

Also, please note that we will amend our reports for July and August also to correct the year to date figures.

Futhermore, please be advised that the payments to Janitorial are paid to independent contractors not employees. They do not spend more than an hour or two a week at our office strictly cleaning the building. They do not perform any other activities.

Sincerely yours,

Thomas B. Butchart, Treasurer
