Identification Number: C00012914

Reference: Year End Report (12/1/00-12/31/00)

Dear Mr. Maher:

On June 13, 2001, you were notified that a review of the above-referenced report(s) raised questions as to specific contributions and/or expenditures, and the reporting of certain information required by the Federal Election Campaign Act.

Your June 29, 2001 response is incomplete because you have not provided all the requested information. For this response to be considered adequate, the following information is still required.

-Schedule B supporting Line 20 of your report still discloses a contribution(s) to a candidate(s) for the General election; however, the funds were disbursed after the election date(s) (pertinent portion(s) attached). Please note that contributions may not be designated for an election which has already occurred unless the funds are to be used to reduce a candidate committee's debts incurred during that election campaign.

If the contribution(s) in question was incompletely or incorrectly disclosed, you should amend your original report with clarifying information. If you have made an impermissible contribution for an election which has already occurred, you should notify the recipient and request a refund and/or notify the recipient in writing of your redesignation of the contribution. In the best interest of your committee, all refunds and redesignations should be made within sixty days of the treasurer's receipt of the contribution(s).

Please inform the Commission of your corrective action immediately in writing and provide a photocopy of the refund or redesignation request sent

to the recipient committee(s). In addition, any refunds should be disclosed on Schedule A supporting Line 16 of the report covering the period during which they are received. Any redesignations should be disclosed as memo entries on Schedule B supporting Line 23 of the report covering the period during which the redesignation is made. 11 CFR §110.1(b)

Although the Commission may take further legal action regarding this impermissible activity, your prompt action in obtaining a refund and/or redesignating the contribution(s) will be taken into consideration.

An adequate response must be received at the Commission by July 25, 2001. Adequate responses received on or before this date will be taken into consideration in determining whether audit action will be initiated. **Requests for extensions of time in which to respond will not be considered.** Failure to provide an adequate response by this date may result in an audit of the committee. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action.

If you should have any questions related to this matter, please contact Andrea Needles on our toll-free number (800) 424-9530 (at the prompt press 1, then press 2 to reach the Reports Analysis Division) or our local number (202) 694-1130.

Sincerely,

John D. Gibson
