Reference: Amended April Monthly Report (3/1/09 - 3/31/09), received 5/20/09

Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following 2 items:

1. Schedule D discloses a debt this period owed to "FLS Connect" with a closing balance of \$10,000. The Commission notes the additional text attached to the report which states in part, "Note that on Schedule D, the outstanding debt for FLS Connect was reduced by \$1,196.85 due to overbilling." This report, however, does not reflect an apparent debt reduction. Please amend your report(s) to clarify this discrepancy and provide additional information.
2. Schedule A supporting Line 15 of your report discloses an -offset to an operating expenditure(s) totaling \$4,686.17 from "Travelport"; however, your report(s) does not appear to disclose a disbursement to this entity. Please provide clarifying information regarding this activity and amend your report(s) if necessary.

Please note, you will not receive an additional notice from the Commission on this matter. Adequate responses must be received by the Commission on or before the due date noted above to be taken into consideration in determining whether audit action will be initiated. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to

taking enforcement action. **Requests for extensions of time in which to respond will not be considered.**

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended. If you should have any questions regarding this matter or wish to verify the adequacy of your response, please contact me on our toll-free number (800) 424-9530 (at the prompt press 5 to reach the Reports Analysis Division) or my local number (202) 694-1172.

Sincerely,
