Reference: Year End Report (10/1/09-12/31/09)

To Whom It May Concern:

This letter is in response to the Commission's letter our committee received regarding the above referenced report.  
Please see below for our complete response.

The contribution check from the Electrical Contractors PAC we reported on 2-2-09 was actually issued by the PAC in 2008.  
The check was dated 12/17/2008 and they reported it on their Year End 2008 report. For that reason, we consider this a  
2008 calendar year contribution. The unusually long lag time between issuance and receipt doesn't change that. The  
second 2009 contribution check brings the PAC to their annual limits to Acton for both 2008 and 2009.

Thank you for the opportunity to respond. Please contact us if you need any further information.

Best regards,

Acton PAC
