Reference: Amended Year-End Report (11/24/2020-12/31/2020), Received 04/14/2021

To Whom It May Concern:

This letter is in response to the request for additional information dated May 3, 2021. Please find below the Committee's response to the item referenced in the RFAI:

Upon reviewing the specified independent expenditure ("IE") transaction, the Committee has determined the independent expenditure was a payment of debt associated with an independent expenditure previously disclosed on the Post-General Report.

The first dissemination of this reported IE occurred on October 22, 2020, and was disclosed on the Post-General Report filed on December 4, 2020 (FEC ID FEC-1481902). Thereafter, the Committee issued payment on November 25th, 2020 and included the transaction on its timely filed Year-End Report (FEC ID FEC-1496490).

The Transaction ID ties this back to the original transaction included on the Post-General Report filed on December 4, 2020 and referenced above. This was not a separate and distinct independent expenditure, but rather a repayment of debt owed reflected on the Year-End Report.

Respectfully submitted,
