This is in response to notices we received requesting additional information about past filings.

For the October Quarterly Report (07/17/2014 - 09/30/2014)

These were memo entries entered on 8/1/14 for different radio stations.

These entries supported previous entries to Nebo Media.

One for \$10,000 on 7/30/14 and one for \$5,000 on 8/1/14.

We paid Nebo Media, who handled our media buy, which was then disbursed to the radio stations.

The total paid to the radio stations was \$12,002, which were included in the memo entries.

The remaining \$2,998 was paid to Nebo Media for their services.

So, the total for the expenditure was \$15,000 which was reported.

For the 12 Day Pre-General Report (10/01/2014 - 10/15/2014)

The expenditure made for Gary Peters in the amount of \$4,355.67.

We filed a 48 hour report for expenditures made for Terri Lynn Land in the amount of \$30,765.64.

We did not file a 48 hour report for Gary Peters because the amount was less than \$10,000.

I had just taken over as recordkeeper and was unaware that the \$10,000 aggregated total necessary to report was per office sought and not per candidate.

Had I known that it was per office sought, I would have included it with the report for Terri Lynn Land.

In the future, I will be sure to include any aggregated expenditures per office sought and not per candidate.
