RE:Alliance for a Better Minnesota Federal PAC (C00564013)

Dear Mr. Morse,

I write in response to your request for additional information in reference to the 30-Day Post-General Report

Waterfront: The independent expenditure disseminated on 10/31/2014 was for \$14,946. The additional \$54 was an administrative fee. Schedule E has been amended to reflect the correct amount.

Bully Pulpit: The Committee filed a 24-hour report on 10/30/14 that disclosed an independent expenditure in the estimated amount of \$65,000 to Bully Pulpit Interactive LLC. The final amount of the independent expenditure was \$63,500. The Committee paid for this expense in two payments, so there are two entries on the amended report that disclose the full amount of \$63,500. On 9/26/14, the Committee paid \$25,000 to Bully Pulpit Interactive LLC and reported the expense on Line 21b of its October quarterly report. That amount was later applied by Bully Pulpit Interactive LLC to pay for the above independent expenditure. Accordingly, the Committee is now subtracting the expense off Line 21b and moving it to Schedule E. The Committee paid the remaining \$38,500 of the independent expenditure at the time of dissemination.

I hope that this resolves your questions. If you require any additional information, please feel free to contact the Committee.
