

Reference: Amended October Monthly report (9/1/08-9/30/08) filed 11/3/08

1. The additional debt of \$28,270.38 on line 10 was omitted in the original FEC October report. The Schedule D section was omitted in error. THE \$28,270.38 was the amount incurred for this period. The Expense was for Payroll, Benefits, Supplies , copies.

2. The check to the National Republican Senatorial Committe has cleared our bank on 4/1/09. Hopefully this clears up any confusion over this contribution.
