RE: Ron Paul 2012 Presidential Campaign Committee Inc.

Please accept this Memo 99 as an official request for the above committee's termination. The Committee has been filing "Zero" activity reports for the past several years. There is no ongoing income or expense activity and no cash balance. The only reason for the committee's continued existence is the filing of these zero activity reports. Filing zero activity quarterly reports puts an undue strain on the non-existent resources of a defunct organization and a volunteer treasurer.

This is a committee for a candidacy that ended nearly a decade ago in 2012. The committee has long been defunct, has no assets, and has no plan to participate ever again in any political activity, or raise any money.

Moreover, to the extent that the nearly decade old MUR 6800 remains open, there are no resources to pay any civil penalty and there have been no discussions with staff for two years. Further, the subject matter of MUR 6800 has been fully resolved in other venues.

The public record is fully edified on the Ron Paul 2012 Presidential Campaign Committee and continued filing of zero activity reports serves no public purpose.
