On April 20, 2020 the Renewable Fuels Association PAC (RFA PAC) discovered the connected association Renewable Fuels

Association (RFA) inadvertently paid the RFA PAC share of a PAC event held on February 11, 2020, in connection with the connected association, RFA, annual meeting. The RFA PAC should have been billed directly for the PAC event, but in error the connected association RFA was billed and paid for the full amount.
